

# Hamza Tarar

Student

Highly motivated and results-oriented Computer Science student with a strong foundation in web scraping techniques and a passion for photography. Possesses a proven track record of success in programming competitions, demonstrating exceptional problem-solving abilities and a keen eye for detail. Eager to leverage these skills and contribute to innovative projects within a dynamic and collaborative environment.

## Work History

### Scrapy Developer

Private Company, LAHORE

- Automated repetitive tasks through scripting, freeing up valuable time for higher-priority projects.
- Continuously updated skills through training courses, workshops, and self-study—staying current on industry trends and emerging technologies.
- Worked closely with clients to gather requirements and translate them into technical specifications for implementation.
- Reduced development time by creating reusable code libraries for future projects.
- Developed comprehensive documentation to facilitate seamless handoff to other team members.

### Web Scraping

Freelancing, LAHORE

- Monitored and maintained websites and applications to track security vulnerabilities.
- Handled inbound customer chat conversations from various websites.
- Facilitated training in-person and via webinar to drive fantastic employee experience.
- Updated website and social media pages with well-coordinated communications aimed at conveying information, generating interest and mitigating negative press.
